## **AEI CONSULTANTS EXPANDS ITS PRESENCE IN THE SOUTHEAST REGION**

AEI announces a new addition to its sales team in Charlotte, NC

CHARLOTTE, N.C. - June 28, 2011 - AEI Consultants, an industry leader in environmental and engineering services, is pleased to announce the recent appointment of Nikole Reynolds as our newest business development manager. Ms. Reynolds will be responsible for developing and building client relationships throughout the Southeast region.

Ms. Reynolds is experienced in providing environmental risk management and due diligence services to clients nationwide and is known for her dedication to customer service. Ms. Reynolds earned her B.S. degree in Ecology from Florida Atlantic University in Boca Raton, Florida.

"We are thrilled to have Nikole joining our team and to expand our presence in the Southeast," said Holly Neber, president of AEI Consultants. "Her experience and knowledge of the industry will support AEI's mission to excel in serving the needs of our customers."

### **About AEI Consultants**

AEI is a national environmental and engineering consulting firm with office locations nationwide. AEI's consulting services include environmental and engineering due diligence investigations including assessments for commercial lenders, purchasers, and Small Business Administration, Fannie Mae, Freddie Mac and HUD financing. In addition, AEI conducts subsurface investigations and remediation of contaminated sites such as leaking underground storage tank sites and dry cleaning facilities.
