AEI announces a new address and contact information for its new office space

CHICAGO - Jan. 26, 2011 - AEI Consultants, an industry leader in environmental and engineering services, today announced the relocation of its Chicago regional office. Business operations are now located at 8600 W. Bryn Mawr Ave., Suite 540N Chicago, IL 60631. Tel: 773.693.1111 Fax: 773.693.1110

The move will accommodate the recent staff growth and enable the Midwest regional office to continue to maintain its significant presence in the greater Chicago area. While the office is currently staffed by six full time employees, that number is expected to rise this year. "This move positions us well to serve the region from a convenient location near O'Hare Airport and major freeways," said AEI President, Holly Neber. "This location is a better location for our staff, which aligns with our company goal of providing a supportive and rewarding work environment for our team."
