AEI CONSULTANTS' HERMOSA BEACH OFFICE RELOCATES TO LOS ANGELES

AEI announces expansion and a new location in southern California

LOS ANGELES - July 1, 2011 - AEI Consultants, an industry leader in environmental and engineering services, is pleased to announce the relocation of our Hermosa Beach office to Los Angeles. This expansion is attributed to company growth and increasing staff numbers. The move also provides improved access to freeways and air travel for project staff and clients. AEI's business volume in the Los Angeles region has grown significantly in the last few years from a number of client sectors. The combination of office locations in Los Angeles and Irvine provide significant resources to rapidly complete projects throughout the region.

"Providing a highly qualified team in a central location to mobilize quickly to sites throughout the region is important to our clients," said AEI Southern California Regional Director Adam J. Bennett. "We are excited to further build on our track record of growth in LA."

About AEI Consultants
