AEI EXPANDS ITS PRESENCE INTO THE PACIFIC NORTHWEST

AEI opens a new regional office in Portland to expand service to customers throughout Oregon, Washington and Alaska

PORTLAND, Ore. - April 13, 2011 - AEI Consultants, an industry leader in environmental and engineering services, is pleased to announce the opening of a new office location in Portland, Oregon as part of national expansion. AEI conducts approximately 800 projects annually in the Pacific Northwest region alone.

"We see exciting new opportunities in the Pacific Northwest region to diversify our clientele. We can best take advantage of these opportunities with a local presence to build on the existing consulting work we receive from national clients in this region," said President of AEI Consultants, Holly Neber.

About AEI Consultants

AEI is a national environmental and engineering consulting firm with office locations nationwide. AEI's consulting services include environmental and engineering due diligence investigations including assessments for commercial lenders, purchasers, and Small Business Administration, Fannie Mae, Freddie Mac and HUD financing. In addition, AEI conducts subsurface investigations and remediation of contaminated sites such as leaking underground storage tank sites and dry cleaning facilities.

For more information about AEI Consultants or to find an office location near you, please visit www.aeiconsultants.com. Christopher Wilson will represent the Pacific Northwest region with more than 17 years of experience. AEI's newest office is located at 2027 SE Jefferson St., Suite 204 and can be reached by phone at 503-387-5338.
