FOR IMMEDIATE RELEASE

## **AEI CONSULTANTS OPENS A NEW OFFICE LOCATION IN SANTA CRUZ, CA** AEI expands on the west coast offering clients a greater presence in the Bay Area.

**SANTA CRUZ, Calif.** - August 15, 2011 - AEI Consultants, an industry leader in environmental and engineering services, is pleased to announce the opening of its newest office to be located in Santa Cruz, CA. The expansion is attributed to company growth and increasing staff. The combination of office locations in Santa Cruz, San Jose and San Francisco provide significant project resources to better service clients throughout the Bay Area and surrounding regions.

"Our new office in Santa Cruz will provide a comfortable working environment for our current employees in the north-central area of California and will further service the needs of our local clients. Our office will be gradually staffed with additional project managers over the upcoming months," said Evans Howell, vice president of AEI Consultants.

### **About AEI Consultants**

AEI is a national environmental and engineering consulting firm with office locations nationwide. AEI's consulting services include environmental and engineering due diligence investigations including assessments for commercial lenders, purchasers, and Small Business Administration, Fannie Mae, Freddie Mac and HUD financing. In addition, AEI conducts subsurface investigations and remediation of contaminated sites such as leaking underground storage tank sites and dry cleaning facilities.
